2648 '99 MAY -4 P2:18

April 28, 1999

I oppose the Draft Memorandum being proposed by the FDA. In particular, I object to the definition of "inordinate amount" which restricts availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

I am currently using such an opportunity and am appalled that you would consider this action put forth by the large pharmaceutical houses to gain control. I do not want my choices diminished.
